Monday 12th March 2018

Dear Parents,

As we approach Easter here are a few reminders of some of the events going on in school.

LENT FUNDRAISING – Many children have been busy selling buns and cakes and running competitions to raise money for our chosen charities. They have done a fantastic job already. In addition all pupils will be taking part in a sponsored walk at Roundhay Park on 25th April. We will be asking children to make a donation for completing the walk too.

This year's charities we are fundraising for have been chosen by our school council and they are

Felicia's Courage
This charity supports research and treatment for children with a rare tumor of the brainstem. It is extremely difficult to treat and the charity supports both research and support for families who have a child diagnosed with this form of cancer.

Mencap Leeds
This charity provides many services for young people with learning disabilities along with their families. It provides a support centre, clubs and help for families who have children that find aspects of life challenging.

Faith Day
Next week will be our fourth annual Faith Day in school and children will be working with pupils from other classes to explore The Life of Jesus. They will learn about his birth, childhood through to his death and resurrection and I am sure will find it an inspiring day.

Easter Concert – **Thursday 29th March at 2.00pm** - You are warmly invited to our Easter Service. All pupils in classes 3, 4, 5 and 6 will be performing and parents are welcome to come and join us in the school hall. Please come and join us for singing, readings and prayers.
School will be closed on Friday 30th March and re-open on Monday 16th April.

Yours sincerely
Mrs E. J. Holliday
